DETAILED ACTION

Allowable Subject Matter

Claims 27-57 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claims 27, 39, 51 and 54, none of the prior art of record discloses invalidating specified transactions when a congestion event occurs in combination with the other specified claim limitations.

In regards to independent claim 33, none of the prior art of record discloses removing a lower priority transaction upon receiving a higher priority transaction when a congestion event occurs in combination with the other specified claim limitations.

In regards to independent claim 44, none of the prior art of record discloses having an arbiter storing external bus transactions under a first priority scheme and operating under a second priority scheme during a congestion event in combination with all other structural elements and functions claimed.

All dependent claims are allowable as being dependent upon allowed independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
